

Transforming lives

Join the beating heart of the built environment

ice.org.uk/amice

Associate member – AMICE

Gain access to the people, thinking and resources of a world class institution.

ICE membership puts you at the beating heart of the built environment.

From engineers to academics, procurement and legal experts to architects and surveyors, ICE convenes leading professionals to shape the infrastructure of the future.

Better, agile cross-functional teamwork and a greater understanding between allied professions are key to successful project delivery in a rapidly evolving industry.

As an Associate member you will:

- Access a melting pot of knowledge, ideas and insight
- Build business and social contacts among ICE's worldwide membership
- Improve your understanding of the role of other professionals in the built environment, helping you to manage and lead successful teams
- Use the post-nominal letters AMICE as a mark of distinction, linking you to the world's oldest and foremost civil engineering body
